

ELECTION OF 2008

Democratic

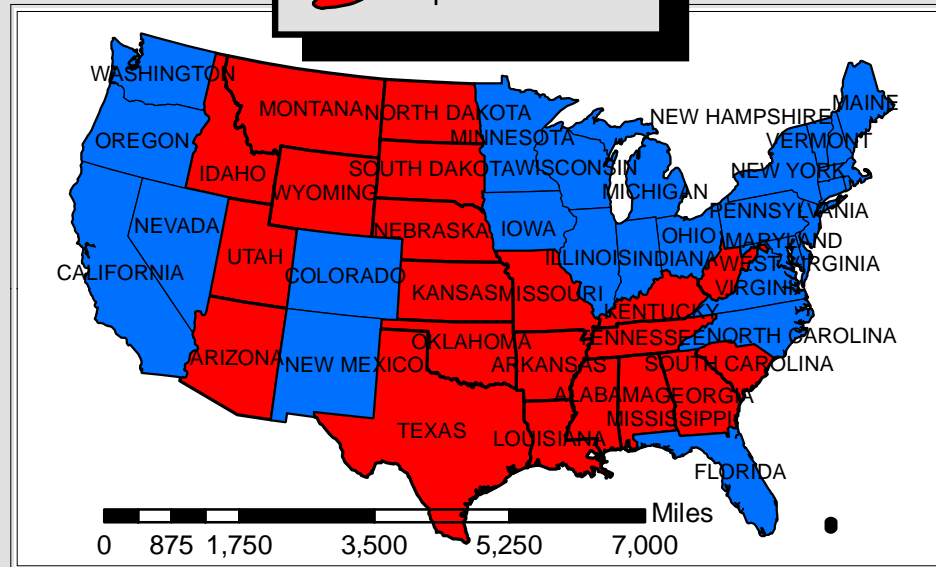

Hometown: Honolulu, Hawaii
DOB: August 4, 1961

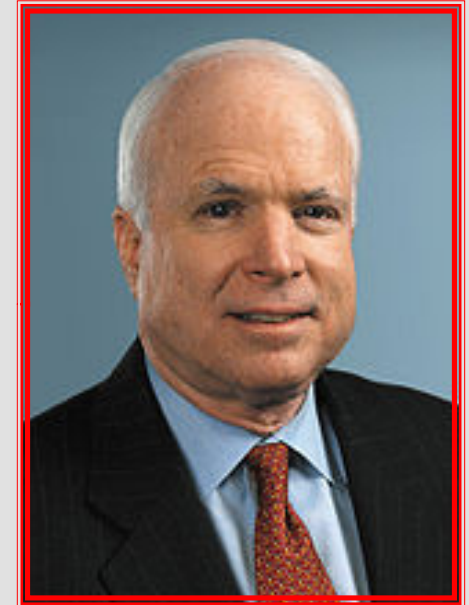

Legend

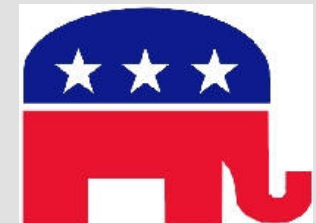

-  Democratic States
-  Republic States

Republican

Hometown: Panama Canal Zone
DOB: August 29, 1936

During the election of 2008 a lot of people who voted Republican in 2004 had a change of heart and voted Democratic. Some think that the previous president changed their outlook on the way Republicans run things. By Obama taking office we have overcome many milestones racially. This election is going to be in the history books for sure.
